

THMWG & CAREWELL CAININES

Field and Safety Information

Terms & Conditions

Carewell Canines is a secure 5-acre private dog walking field.

Set in a quiet and secluded location in Lingfield Surrey, and away from the main roads, the field has been carefully selected to host the **Surrey** event.

It is perfect for sled-dogs that may be nervous around their own breed and for the breed which cannot be let off-leash and need a place to run safely, securely, relax and have fun.

PLEASE DO NOT CLIMB / PLAY ON THE 'DOG' OBSTACLES.

THE EQUIPMENT IS STRICTLY FOR **CANINE USE ONLY**

PARKING: There is "off-road" parking adjacent to the field.

FACILITIES: There are onsite facilities available and a Tea Bar shop serving hot and cold refreshments and a selection of pastries, cakes etc.

SMOKING / VAPING: Is not permitted anywhere on the Carewell Canines premises.

HEALTH & SAFETY: The fields are part of a diverse and beautiful countryside and may include an endless list of hazards such as rabbit holes, ditches, ponds, fallen trees, uneven and muddy ground, over hanging branches and so on. THMWG and Carewell Canines will not be held liable for any injury or claim arising from such occurrence.

The field is secured with 6-foot fences and a lockable gate on entrance. All reasonable effort has been made to secure the field and regular checks are carried out by the owner. A full risk assessment has been carried out by the Admin Team. However, it is still possible but certainly not easy for the most determined to escape from the risk of rabbits or foxes burrowing under the fence which could be a possibility.

If you see damage or an opening, please notify a member of the Admin Team immediately.

Please keep the field clean and tidy. Please take your litter home with you.

LIABILITY: THMWG and Carewell Canines do not take responsibility for any human or dog injury caused while on the premises although we are on-hand should anything arise.

CORONAVIRUS (COVID-19): A face covering is advised in accordance with government guidelines.

For more information please visit the Coronavirus (COVID-19) page at GOV.UK

MEDICAL TREATMENT: A first aid kit is available on site, come and see an Admin Member.

The nearest Hospital is: -

East Surrey Hospital

Canada Ave
Redhill
RH1 5RH

Dial 999 for an emergency.

DOG FACILITIES: It is a strict requirement that you must pick up after your dog/s.

There are poo bags and bins onsite to dispose of your doggie's delights.

Members are asked to keep vigilant during the events and dispose of their waste in the bins provided.

GOLDEN RULE: If you spot poo whether it was your dog/s or not please BAG IT – BIN IT.

REFRESHMENTS: Fresh water is supplied by THMWG for the dog/s and constantly changed during the event.

EVENT START: All dog/s must be "on-lead" to/from Carewell Canines this is for you and your dog/s safety.

Once inside an Admin will take payment of **£3.00**/dog per event. Payable by cash or card.

You will be asked to join an Admin who will be walking the perimeter of the field.

Members and their dog/s will be expected to join "on-lead" to keep the dog/s moving, exercised and entertained until everyone is safely in the field before an Admin calls for them to be let off-leash once locks are positioned on the gate and made secure.

This is now a requirement as we have found dog/s standing around with their owners waiting for members to arrive is causing frustration and anxiety.

Please be punctual, for safety we are unable to unlock the gates once the event has begun.

Calmer dog/s makes for a calmer and happier event for all.

If anyone enters the field during the allotted time which arouses suspicion, please contact a member of the Admin Team immediately.

Members are asked to book an event in advance. This is done through our Events pages.

THMWG complies with Carewell Canines' Terms and Conditions.

EVENT FINISH: The Admin Member will call for your dog/s to go back on leash before we vacate and will be conducted in an orderly fashion.

Members must disclose whether their dog/s are:

MALES; Intact:

For safety reasons an Admin member will provide you with a coloured ribbon to tie around your dog/s collar. Intact males are accepted into the Group with the proviso they remain calm and sociable during their time with us.

Any dog which becomes over playful or displays signs of dominance to the group's dog/s an Admin will speak to the owner and will work closely with them while with the group.

FEMALES; In-Season:

We strongly recommend In-Season dog/s **DO NOT** attend our events.

A three-week grace period is recommended before coming to an event.

If a dog is identified as being In-Season an Admin Member will ask you to leave immediately.

This is for safety as a group of sled-dogs interested in a female in oestrus could cause unintentional damage with each other.

Females (Bitches) are accepted into the Group with the proviso they remain calm and sociable during their time with us.

Any dog which becomes over playful or displays signs of dominance to the group's dog/s an Admin will speak to the owner and will work closely with them while with the group.

PUPPIES; with Mum and Dad:

We love puppies but we also want them to be safe so if Mum and Dad are joining then as long as they are happy for their puppies to join in the fun then that is fine with us.

FAMILY DOGS; non-sled:

This is managed on a case-by-case basis with prior arrangement by the Team / Deputy Leader or Area co-ordinator.

NERVOUS DOGS (first timers):

Please speak to a member of the Admin Team who will be happy to assist you during the event.

VACCINATIONS / WORMING:

Members are asked to have their dog/s fully vaccinated and wormed due to the sharing of water bowls. Under no circumstances are you to bring your dog/s if they are ill or show signs of coughing.

Members are asked for their dog/s to wear a suitable collar or harness while in our group.

Should any problems arise during the event and you are looking for some space for your family member/s, please speak to a member of the Admin Team who will safely let you out of the premises. **DO NOT** attempt to unlock the gate yourself as we do not want any escapees.

Please make sure all Children are not left unattended and are always supervised by an adult (over 18), this is for their safety and the dog/s too.

It is expected that members should perform a final poo check and remaining dog waste cleaned and disposed of within the allocated time slot upon departure.

**PLEASE DO NOT FEED OR GIVE TREATS TO YOUR OR OTHER MEMBERS DOGS
WHILE ON THE CAREWELL CANINES PREMISES**

We look forward to seeing you on our events and hope you enjoy your time with us.

Thank you, your friendly Admin Team 🐾🐾
